Dear Dr. Lederberg:

At the end of my 2-year stay with Dr. Ryan at New York I am planning to visit some colleagues during our summer tour through the continent. So I should like very much to see you and your co-workers. I would come to Madison on a day between 5th and 8th of July; unfortunately, it is not possible to give the exact date because of the circumstances. Please be so kind to give me notice soon in the case you would not be able to receive my visit ~~this~~ during this time.

Sincerely yours,

*R. W. Kaplan*
